Christmas Gift Sets

2016

Merry Christmas!

Dear fans of Macarons.sg,

Time flies indeed, and it's the time of the year again for Christmas gifts.

It's our third year in business, and this year, we decided to make an entire revamp of our Christmas edition flavours.

Just like before, we have 6 different holiday flavours, but this time, the flavours are truly bold and unique!

Plus, because so many of you have requested for customization options, we have finally it available this Christmas.

You can now add a personalized touch to your macaron gifts to the people who matter in your business and in your life, by giving them customized macarons that show them just how much they mean to you.

Also, because we are now halal certified, we're sure you'll find something special for everyone that matters in your life this Christmas.

So take your time to browse through this catalogue, and we look forward to serving you this Christmas. ☺

With Love,
The Macarons.sg Team
